Art of Death

Until we meet again,

A distant dream,

Rose petals floating away...

One last look into your eyes.

If we could stay like this forever,

If there was no world but us,

No other to shatter our dreams.

Now I know what it means to be alone.

Darkness gathering into an overbearing mist

To stifle what we can remember

Please don't leave me.

I've never felt real fear,

Until I thought about being alone.

Alone,

That means without you,

And I don't know if I can stand that.

Pain, Tears, Will I ever meet you again?
Is there really a place beyond this world,
Somewhere I can hold you,
Somewhere I can know you'll never leave me,
Or is it just darkness after this?
I won't know until I'm there.

End
file.
